Considerando a publicação da Resolução CMED nº 1, de 23 de fevereiro de 2015, que estabelece os critérios de composição de fatores para o ajuste de preços de medicamentos a ocorrer em 31 de março de 2015;

Considerando a publicação do Índice de Preços ao Consumidor Amplo (IPCA) pelo Instituto Brasileiro de Geografia e Estatística (IBGE) em 06 de março de 2015, acumulando uma taxa de 7,70% (sete vírgula setenta por cento), no período compreendido entre março de 2014 e fevereiro de 2015; e

Considerando a publicação do Comunicado que define,para o ano de 2015, o Fator de Produtividade (Fator X) em 2,70 (dois vírgula setenta por cento) e o fator de ajuste de preços relativos entre setores (Fator Y) em 0 (zero),

Deliberou expedir a seguinte RESOLUÇÃO:

Art. 1º As empresas produtoras de medicamentos poderão ajustar os preços de seus medicamentos em 31 de março de 2015, nos termos desta Resolução.
Parágrafo único. O ajuste de preços de medicamentos, de que trata o caput, terá como referência o mais recente Preço Fabricante - PF publicado na lista de preços constante da página da CMED no sitio eletrônico da Agência Nacional de Vigilância Sanitária (Anvisa): www.anvisa.gov.br.

Art. 2º O ajuste de preços de medicamentos, de que trata o art. 1º, é baseado em um modelo de teto de preços calculado com base no Índice Nacional de Preços ao Consumidor Amplo - IPCA, em um fator de produtividade, em uma parcela de fator de ajuste de preços relativos intrassetor e em uma parcela de fator de ajuste de preços relativos entre setores, em três níveis, conforme definidos na Resolução CMED nº 1, de 23 de fevereiro de 2015.
Parágrafo único Para o ano de 2015, o ajuste máximo de preços permitido será o seguinte:

I – Nível 1: 7,70% (sete vírgula setenta por cento);
II – Nível 2: 6,35% (seis vírgula trinta e cinco por cento); e
III – Nível 3: 5,00% (cinco por cento).

Art. 3º Para fazerem jus ao ajuste de preços, as empresas produtoras de medicamentos deverão apresentar à Câmara de Regulação do Mercado de Medicamentos (CMED), até 31 de março de 2015, Relatório de Comercialização, a ser preenchido de acordo o Manual de Instrução do SAMMED, disponível no sitio eletrônico da ANVISA.
§1º A Secretaria-Executiva poderá solicitar documentos ou informações adicionais para confirmação de dados ou esclarecimento de dúvidas surgidas a partir da apresentação do Relatório de Comercialização.
§2º As informações contidas no Relatório de Comercialização serão objeto de tratamento confidencial, na forma da lei.

Art. 4º O Preço Máximo ao Consumidor - PMC será obtido por meio da divisão do Preço Fabricante (PF) pelos fatores constantes da tabela abaixo, observadas as cargas tributárias do ICMS praticadas nos Estados de destino e a incidência da contribuição para o PIS/PASEP e COFINS, conforme o disposto na Lei nº 10.147, de 21 de dezembro de 2000.

ICMS	Lista Positiva	Lista Negativa	Lista Neutra
19%	0,7234	0,7523	0,7071
18%	0,7234	0,7519	0,7073
17%	0,7234	0,7515	0,7075
12%	0,7234	0,7499	0,7084
0%	0,7234	0,7465	0,7103

Parágrafo único. Nos Estados de destino onde a carga tributária do ICMS for diferente das previstas na tabela citada no caput, o Preço Máximo ao Consumidor (PMC) deverá ser calculado de acordo com os fatores de conversão divulgados em Comunicado da Secretaria-Executiva.

Art. 5º As unidades produtoras e as de comércio atacadista ou intermediário repassarão, obrigatoriamente, às unidades varejistas, a diferença de alíquota de ICMS entre o estado de origem e o de destino, bem como colocarão os produtos CIF no destinatário.

Art. 6º As empresas produtoras deverão dar ampla publicidade aos preços de seus medicamentos, por meio de publicações especializadas de grande circulação, não podendo ser superior aos preços publicados pela CMED no sitio eletrônico da Anvisa.

Art. 7º As unidades de comércio varejista deverão manter à disposição dos consumidores e dos órgãos de defesa do consumidor as listas dos preços de medicamentos atualizadas, calculados nos termos desta Resolução.
Parágrafo único. A divulgação do PMC, de que trata o caput, deverá contemplar os diferentes preços decorrentes da incidência das cargas tributárias de ICMS praticadas nos estados de destino.

Art. 8º O PF e o PMC, obtidos a partir dos cálculos previstos nesta Resolução, serão expressos com duas casas decimais com arredondamento a partir da terceira casa decimal, conforme disposto no item "7. Arredondamento de Dado Numérico", da publicação "Normas de Apresentação Tabular" do Instituto Brasileiro de Geografia e Estatística – IBGE.

Art. 9º A apresentação do Relatório de Comercialização, de que trata o artigo 3º desta Resolução, é obrigatória a todas as empresas detentoras de registro de medicamentos, independente da aplicação do ajuste de preços e a sua recusa ou omissão sujeitará as empresas às sanções previstas na Lei nº 10.742, de 6 de outubro de 2003.

Art. 10º Esta Resolução entra em vigor na data de sua publicação.

Salmos 44

Ó Deus, nós ouvimos com os nossos ouvidos, e nossos pais nos têm contado a obra que fizeste em seus dias, nos tempos da antiguidade.

Como expulsaste os gentios com a tua mão e os plantaste a eles; como afligiste os povos e os derrubaste.

Pois não conquistaram a terra pela sua espada, nem o seu braço os salvou, mas a tua destra e o teu braço, e a luz da tua face, porquanto te agradaste deles.

Tu és o meu Rei, ó Deus; ordena salvações para Jacó.

Por ti venceremos os nossos inimigos; pelo teu nome pisaremos os que se levantam contra nós.

Pois eu não confiarei no meu arco, nem a minha espada me salvará.

Mas tu nos salvaste dos nossos inimigos, e confundiste os que nos odiavam.

Em Deus nos gloriamos todo o dia, e louvamos o teu nome eternamente. (Selá.)

Mas agora tu nos rejeitaste e nos confundiste, e não sais com os nossos exércitos.

Tu nos fazes retirar do inimigo, e aqueles que nos odeiam nos saqueiam para si.

Tu nos entregaste como ovelhas para comer, e nos espalhaste entre os gentios.

Tu vendes por nada o teu povo, e não aumentas a tua riqueza com o seu preço.

Tu nos pões por opróbrio aos nossos vizinhos, por escárnio e zombaria daqueles que estão à roda de nós.

Tu nos pões por provérbio entre os gentios, por movimento de cabeça entre os povos.

A minha confusão está constantemente diante de mim, e a vergonha do meu rosto me cobre,

À voz daquele que afronta e blasfema, por causa do inimigo e do vingador.

Tudo isto nos sobreveio; contudo não nos esquecemos de ti, nem nos houvemos falsamente contra a tua aliança.

18 O nosso coração não voltou atrás, nem os nossos passos se desviaram das tuas veredas;

19 Ainda que nos quebrantaste num lugar de dragões, e nos cobriste com a sombra da morte.

20 Se nós esquecemos o nome do nosso Deus, e estendemos as nossas mãos para um deus estranho,

21 Porventura não esquadrinhará Deus isso? Pois ele sabe os segredos do coração.

22 Sim, por amor de ti, somos mortos todo o dia; somos reputados como ovelhas para o matadouro.

23 Desperta, por que dormes, Senhor? Acorda, não nos rejeites para sempre.

24 Por que escondes a tua face, e te esqueces da nossa miséria e da nossa opressão?

25 Pois a nossa alma está abatida até ao pó; o nosso ventre se apega à terra.

26 Levanta-te em nosso auxílio, e resgata-nos por amor das tuas misericórdias.

DEPARTAMENTO JURÍDICO

PARECER JURÍDICO: 010/2016
ORIGEM: DEPARTAMENTO DE ADMINISTRAÇÃO.
PARA: ORIGEM.
ASSUNTO: PARECER/LICITAÇÃO.

Trata-se de consulta realizada pelo Departamento de Administração acerca da legalidade do EDITAL DE PREGÃO PRESENCIAL n.° 05/2016, que tem como objeto o Registro de Preço de Medicamentos, no sistema de pronta entrega, para o Departamento de Saúde, tendo como base o Guia Farmacêutico Inditec/indifarma.

Os termos legais do referido instrumento estão em consonância com a legislação específica, tendo sido observadas as definições para a modalidade licitatória eleita, qual seja: Pregão Presencial, regulada pela lei 10.520/02. A efetiva necessidade de aquisição dos bens nas quantidades especificadas no instrumento ficam a cargo do ordenador e do Pregoeiro Oficial.

Analisando o edital e demais documentos vislumbro que o tipo de licitação será o menor preço, mas o critério de apuração desse menor preço (critério de julgamento) será aferido com base no desconto proporcionado.

Os tipos de licitação possui o rol taxativo contido no artigo 45, §1 e incisos da Lei Federal n. 8.666/93 não permitindo o administrador inovar com outros tipos, porém a utilização do critério maior desconto não se trata de tipo e sim critério de julgamento "embutido" dentro do menor preço.

Outrossim, o TCU já se manifestou pela legalidade desse critério de julgamento, vejamos:

> - Assunto: PREGÃO ELETRÔNICO. DOU de 23.04.2010, S. 1, p. 151. Ementa: determinação à Superintendência Regional do Trabalho e Emprego no Amapá (STRE/AP) para que: a) nas licitações para aquisição de bens e serviços comuns, utilize a modalidade pregão, preferencialmente na forma eletrônica, em obediência ao que preceitua o § 1° do art. 4° do Decreto 5.450/2005, observando que o sistema de compras eletrônicas do Governo Federal, em sua forma atual, já permite a utilização da modalidade eletrônica para licitações do tipo "maior desconto"; b) inclua, em seus contratos administrativos,

> cláusula com a discriminação dos valores a serem pagos às contratadas, especificando custos estimados total e mensal e, ainda, quando for o caso, o percentual do desconto ofertado e a qual valor esse desconto deverá ser aplicado, consoante mandamento do inc. III do art. 55 da Lei nº 8.666/1993 (alíneas "b.1" e "b.4", TC-001.681/2010-9, Acórdão nº 1.634/2010-2ª Câmara - sublinhamos)

Importante destacar que o presente Parecer Jurídico foi elaborado sob o ângulo estritamente jurídico, não analisando elementos de caráter financeiro, tais como dotação orçamentária, saldo, fracionamento de despesa, bem como critério de conveniência e oportunidade administrativa, tendo em vista que a análise de tais elementos não são de competência deste advogado.

Relembre-se, contudo, que a licitação pressupõe ampla pesquisa de mercado (art. 15, §1°, Lei 8.666/93), a qual parece ter sido realizada junto as empresas da região. Assim, mesmo tratando-se de bens comuns, estando dentro, portanto, dos ditames da Lei 10.520/02 (Decreto n.° 3.784/01), fica sob a responsabilidade do ordenador das despesas a compatibilidade dos preços constantes do anexo I com os praticados no mercado, sob pena de nulidade posterior do procedimento.

Consta nos autos informação da existência de recursos para fazer frente às despesas nos termos do artigo 38 da Lei de licitação.

Deste modo o parecer jurídico é pela LEGALIDADE do Edital de Pregão Presencial, devendo ainda ser observado o prazo para apresentação das propostas, conforme as disposições das Leis 10.520/02 e 8.666/93.

É o parecer.

O presente edital deve ser remetido ao órgão de Controle Interno do Município para análise e parecer, nos termos do art. 113, §2°, da Lei 8.666/93 e art. 10, III, da Lei Municipal 165/07.
